JEFF

design Pio e Tito Toso 2025

Model SP 1_CE

Featuring integrated LED sources and a body in pure crystal with rigadin glasswork, Jeff illuminates with elegance and transforms any setting into a unique space. The collection consists of elongated, drop-shaped elements that can be repeated and combined to create endless compositions. When lit, it reveals flowing, dynamic lines; when off, it becomes a glass sculpture that decorates with personality and imagination.
