

PLOT

design Chiaramonte & Marin 2019

Vistosi

Model SP_CE

A perfect dialog between different materials and a suspended light source: that is Plot. Inspired by the weaving of oriental bamboo scaffolding, Plot gives a feeling of lightness and suspension, thanks to the play of balances where the light source is supported through the interweaving of the metal rods. Plot combines different materials such as black metal or brass satin finishes with crystal or smoky glass.

GLASS FINISH

CRNE
crystal black

CROT
crystal brass
